Re: Public Health Foundation Enterprises, Inc d/b/a Heluna Health
Board Docket No. A-26-87

NOTICE OF CASE CLOSING

By letter filed November 3, 2026, supplemented on November 4, 2026, the parties filed a request to dismiss, indicating that after a site visit in September, the CDC recommended full resolution of the total amount in disallowed costs. Counsel for both parties determined "the resolution of disallowed costs no longer requires DAB adjudication, and there are no further issues remaining for the DAB to consider in this matter. As such, the parties jointly request that the DAB close and dismiss this appeal." This case is now closed on the Board's docket.

By direction of the Presiding Board Member,

Logan Johnson
Staff Attorney, Appellate Division
