CCHP Plan Members

- 1 Visit: www.balancebycchp.com
- 2 Click on “Find a Doctor at the top right of the page.
- 3 Select your “Primary Care Type” and enter your zip code.
- 4 Under plan type select “Employer Plans”
- 5 Click on “Search Provider” and a list of localized Doctors will be made available for you to choose from.

Remember: if you choose the HMO plan, make sure to check that any provider or facility you visit is both in-network with Balance by CCHP and part of your Medical Group. Medical Group information will be displayed on the website. Provider contracts are always changing with the carriers. Please call your provider to ensure that they are still in-network before going to see them. Contact Balance by CCHP before the 15th of the month to change your assigned Primary Care Doctor or Medical Group.

Getting Precertification

When receiving care through the HMO plan, you should always make sure the services requested by your provider are medically necessary and cost effective.

Some services—such as outpatient surgeries, scheduled hospitalizations, and complex lab and radiology procedures—require precertification.

This is an important step.

Failure to obtain precertification will result in a reduction of benefits.
